Wrapping Up Yet Another Year

Bucket Fillers has had a remarkable journey and we're glad you're a part of it. As we close our 12th year of delivering first-class bucketfilling presentations, products, and publications, we celebrate a number of milestones that prove how bucket filling continues to ripple around the world. Here are some highlights from the past year:

Bucketfilling Presentations:

We've now had nearly a half million people that have attended over 3,000 different bucketfilling presentations and provided us with a 100% satisfaction rate. In February, we were honored to present our first bucketfilling sessions in Australia, a country in which many of its schools have adopted bucket filling as their primary character development program. Every one of our dynamic [presenters](#) has devoted more than a decade to our mission of producing bucketfilling schools, families, workplaces and communities. We continue to offer personalized sessions for all ages. Why not schedule an event for your school, workplace or organization in the fall?

Bucketfilling Products:

We have added many new products to expand our line and deliver more products beyond elementary grades. [Check out our new](#) pens, bumper stickers, wristbands, stickers, and posters.

Bucketfilling Publications:

Our bucketfilling book series has sold over 2.5 MILLION copies. *Have You Filled a Bucket Today?* is now published in Romanian, the ninth language available. Our newest book, [Buckets, Dippers, and Lids: Secrets to Your Happiness](#), won the Gold in Mom's Choice Awards just after publication. Half of the book is devoted to understanding the "lid," which we have been teaching about the "lid" in school assemblies for twelve years. This book holds an important message for all ages. Why not commit to practicing the three happiness rules (or secrets) by downloading [My Bucketfilling Journal](#) pages? You may be surprised by how much your happiness meter moves forward.

This summer, we are taking the message of *Buckets, Dippers and Lids* on the road. We'll be traveling 10,000 miles across the US through 25 states with 32 stops, visiting book stores, gift shops, and libraries for both adult discussions and children's story times with activities. We plan to fill a lot of buckets and fill our buckets, too. You can [keep up with the tour](#) on our website.

We'll be back this fall with more great newsletters and lessons - plus a lot of new, exciting things for you!

Have a Bucketfilling Summer,
