As the door closes on 2015, we proudly look back over the past ten years to a time when Bucket Fillers, Inc. became a reality. Early in 2006, we were in the throes of starting our company. We began writing newsletters, designed our first website, and published our first book, *Have You Filled a Bucket Today?* - a book that we hoped would be at least modestly successful and teach children to be bucket fillers. We could not have imagined that our first book would be enthusiastically accepted by millions of people around the world and create hundreds of positive news stories.

By mid-2006, we were hearing from educators and businesses interested in our onsite presentations and book vendors who wanted to sell our book. The years flew by as our Bucket Fillers Team traveled thousands of miles and presented bucket filling to an average of 50,000 people every year; the equivalent of approximately 300 sessions a year. Gone are the days when we sold only one book in the U.S. Now we are currently selling more than 100 different books and products in every U.S. state and in more than 30 countries around the world.

Our first decade has flown by and the work continues to be exhilarating as well as challenging. We are proud that our publications, presentations and products are being successfully used to teach the most basic need of a human being:

Giving and Receiving **LOVE**. Loving is filling buckets by giving, helping, encouraging, connecting, accepting, and respecting. Bucket filling is the antithesis to taking, hurting, criticizing, excluding, judging, and disrespecting. When we fill buckets and treat all people, including ourselves, with kindness and respect, we live happier lives.

To celebrate this milestone, we would like to fill your bucket with a gift! Throughout 2016, with any book order, we will include a **FREE** copy of our special book, **Will You Fill My Bucket?** We believe that this beautiful picture book is ahead of its time and is as much for adults as for children. Will You Fill My Bucket? is what children need and ask for most from the important people in their lives.*
