

2017
HAPPY NEW YEAR

We enter a new decade of Bucket Filling with a heartfelt "Thank YOU" to the millions of people around the globe who continue to fill buckets with love and kindness. A special thanks goes to those who filled our buckets in 2016 . . .

- To everyone who shared their bucketfilling photos, videos and stories, especially during our 10th birthday celebration in June.
- To the thousands of educators who we met at SECA, CAEYC, FLAEYC, TAEYC and WVAEC conferences and in schools and workshops in 2016. We are thrilled to know that hundreds of preschool, school and after-school programs are using Bucket Filling as their main character development program.
- To Red Grammer, whose [*Circle of Light: Songs for Bucket Fillers*](#) music is filling hearts and buckets around the world.
- To Ann Marie Gardiner-Halstead, whose [*Have You Filled a Bucket Today? The Play*](#), continues her bully-prevention advocacy and thrills audiences of all ages.

- To our enthusiastic [Presenter Team](#) (Peggy, Jan, Jeremy, Brooke & Karen) who delivered another 100 presentations to 20,000 new bucket fillers in 2016.
- To our dedicated In-House Team (Caryn, Sandy, Mike & Matt) who kindheartedly served more than 35,000 customers in 2016.
- To our talented Design and Editing Team who keep us sharp: Glenn, Glenny and Kat.
- To our great Distribution Team: [Independent Publishers Group](#) of Chicago, Illinois, [Georgetown Publications](#) of Toronto, Canada, [Turnaround Publisher Services](#) of London, England, and [Empathy Books](#) of Sydney, Australia who sold and delivered another 150,000 bucketfilling books around the world.
- To our many e-newsletter, [Facebook](#), [Twitter](#), [Instagram](#), [Pinterest](#), and [YouTube](#) friends who choose the bucketfilling path every day.

Thank you and Happy Bucket Filling in 2017!
