Words of Wisdom to Keep Your Bucket Filled

LUCKY NUMBER 13

Volume 13, Issue 9

Week of June 2, 2019

Lucky number 13? Absolutely! I've always heard people talk about their lucky numbers, but I've only ever heard one person say that 13 was their lucky number. That person was my great-grandmother, Helen. She was born August 13, 1904 and lived to be 100 years old. She was extremely lucky and blessed, and truly lived life daily as a bucket filler.

Helen, with her husband, Sherman

Here at Bucket Fillers, we feel the same way! As we celebrate our 13th birthday, we count ourselves extremely lucky and blessed! We love our work and it's all because of you - our bucketfilling friends!

Just a few of our milestones in the last year were:

- A cross-country book tour for "[Buckets, Dippers, and Lids.](#)"
- Released e-books for "[Fill a Bucket.](#)"
- Opened our [Bucket Fillosophy](#) storefront on Amazon.com.
- Both "[Have You Filled a Bucket Today?](#)" and "[Bucket Filling from A to Z](#)" received 4-star Clarion reviews.

There were so many other great, bucketfilling adventures we had this past year that we couldn't list them all!

In the next few months, we have so many more exciting things happening!

- The end of this month, we will be sponsoring the [35th Annual Michigan Challenge Balloonfest](#) in Howell, MI.
- Later this summer, we'll be adding a [new blog](#) to our website to keep everyone apprised of all the latest bucketfilling news.
- Last, but certainly not least, we're adding **virtual classroom visits** to our list for [training opportunities.](#)

This is just a small list of upcoming projects for us. Make sure you are subscribed to our newsletters and follow us on social media to keep up with all the latest happenings!

Have a bucketfilling summer,

Caryn
